

Charities

1. Contact Heart Felt Tips at info@heartfelttips.co.uk and let them know you would like to receive some loaded pencil cases.
2. Heart Felt Tips will then find a local school or club and establish a potential relationship.
3. All being well, after 4-6 weeks a box of loaded pencil cases will be delivered to the charity or foodbank by the school.
4. The loaded pencil cases are then yours to distribute to families whose children could do with a lift.
5. **Thank you so much!** By helping you have added some brightness to some little lives desperately in need of extra colour.
