

Tips for Tens

1. Go to your local library, read a book and write a review on it, your local newspaper or bookshop may be interested in your opinion and you could be asked to do it again.
2. Create a family tree. Draw a big tree onto a large sheet of paper and go back as far as everyone can remember with all your relatives on separate branches
3. Visit a museum or gallery, look around and see who or what inspires you, see if you can copy some of their work.
4. Find an old box. Cut out one side. Inside, design your future office.
5. Learn how to read music. Lots of charity shops sell second hand instruments, teach yourself how to play.
6. Plan an adventure, perhaps a cycle ride to raise some money for charity, get an adult to help you – be an inspiration.
7. Find a large piece of board, google Jackson Pollock and see if you can paint a picture similar to his, see who likes it.
8. Using corks and glue, tape, string or rubber bands build a small raft. Float it and see how many pebbles/stones it will hold.
9. Play hairdressers - experiment with braids, curlers and hair gel, no scissors!
10. Organise a bake off in your area to raise some money for a local charity, you will all enjoy sharing the cakes afterwards.
11. Learn to touch type, go online and follow a free programme, 5 minutes a day for a month and you will be touch typing!
12. Organise a race with friends or family. Make some medals or ask your local shop to donate prizes.
